FOR A HEALTHY AND NATURAL LIFE

## Welcome to Savola Food

Savola Food company history dates back to 1878. For more than a century, the growth of our business has relied on our core company principles of 100% consumer satisfaction and total quality management in all relationships with business partners and consumers. We continue our operations with the same excitement and passion while maintaining our innovative vision.

Today, while Savola Food remains as the leader in the domestic Turkish market with Savola and Sirma brands of edible oils; company share in export markets continue to increase every year with our Yudum, Brillo and Cielo branded olive oil products.

Our target is to continue to grow our business at both national and international levels by consistently offering our consumers new, high performance and high quality products. As Savola Food, we believe this can only be achieved with the continued support and trust of our business partners and consumers.

Savola Food has a capacity of 155.000 tons per year for olive oil, sunflower oil and corn oil production. Products are manufactured in 76 size and varieties for export and local markets. Savola factory is in Ayvalık, a town on the northern Aegean coast in the heartland of the Turkish olive growing region. Today there are over 2.5 million olive trees in Ayvalık which is known with premium quality olive oils having the richest flavor and aroma. Savola produces Yudum, Brillo and Cielo branded extra virgin, virgin and pure olive oils, as well as Yudum and Sirma branded sunflower and corn oil.

Savola has ISO 14001 Environment Management System and ISO 9001 Quality Management System certificates since 1997 and ISO 22000 Food Safety Management System certificate since 2007.
